Annual Report of the Committee of Management, 1961

To the Members of the Richmond Football Club,
Ladies and Gentlemen,

Your Committee of Management presents the 1961 Annual Report and Balance Sheet with a certain degree of pleasure, but tinged with regret that severe injuries prevented the team from realising the possibilities indicated in the first half of the home and home matches.

Early in the season the Tigers revealed great potentiality as a final four proposition and with victories over Collingwood, Fitzroy, Carlton, Essendon and North Melbourne, and near misses against St. Kilda and Hawthorn, had given supporters full value to that stage of operations. However, a long series of injuries quickly mounted to alarming proportions and the weekly report seemed like a casualty list from the battlefield. Neville Crowe (cartilage), Roger Dean (broken arm), Fred Swift (broken wrist), Ian Stockwitch (broken hand), Graeme Jacobs (broken ankle), Max Litchfield (cartilage), Kevin Fitzgerald (broken ankle), and Barry Vear (broken jaw) finished their football for the year, while thigh injuries to Ted Langridge, Alan Hayes and Pat Guinane further depleted our Senior training list.

In consequence of these injuries, and the failure of our Reserves, we were compelled to bring up very young lads from the Third Eighteen and blood them before they were ready for League football. Although they did well, they lacked the experience and maturity of the players that they replaced. However, one thing is certain and it is that Richmond will not lack suitable recruits for 1962. These young lads will be ready made.

Along with our supporters we sympathise with Neville Crowe and his unfortunate injury when he was, without doubt, the top ruckman in the League. It cost him many awards in newspaper, radio and television as well as carnival selection in Brisbane, but from the Tigers' point of view, it cost them a place in the final four. Neville was the spark plug in our early victories—when he played Richmond won matches, when he was relegated to the sidelines Richmond failed to fire. As a result of an operation in early October, followed by a most encouraging report from a specialist, Neville will again strip for the Yellow and Black in 1962. Better luck next season Neville plus a year free from injury.

A word of congratulation to Des Rowe in his first year as Coach. Later in the report we will give a resume of his activities in that capacity. At this stage it is sufficient to confirm the wonderful co-operation he secured from the players under his care.

If the Tigers were judged on their form at the end of this season it would be futile to state that they would be a final four prospect for 1962. Even our most ardent supporter could offer little hope if these matches were taken as the measuring step. On the other hand even our severest critics recognise the possibilities if we are given a season reasonably free from serious injury. Furthermore, our recruiting has been selective and will be intensified during the summer months. We seek the rectification of several glaring weaknesses and when that has been accomplished we will not only be a final four prospect but will be strong contenders for the premiership.

OUR VICE-REGAL MEMBERS

Following his usual custom, Sir Dallas Brooks again accepted the number one membership of our Club.

After the tragic death of Lord Dunrossil, Sir Dallas was asked by Her Majesty, the Queen, to carry out the work of administrator to the Commonwealth. His Excellency accepted and carried out these onerous duties without thought of his own personal health. Consequent upon this sacrifice, Sir Dallas was ultimately admitted to hospital following a heart attack. Fortunately his sound constitution stood him in good stead and after a slow and gradual recovery he has now resumed his position as Governor of our State.

Because of his duties as Administrator and his subsequent illness, Sir Dallas could not see "his Tigers" in action this year but is looking forward to cheering them to victory in 1962.

Lady Brooks, as chief Tigress, and Christopher Byrne, her grandson, as chief Cub, will support his Excellency in his loyalty to Tigerland during the coming season.

OUR PRESIDENT

With his customary tact and diplomacy and his extensive knowledge of football administration, our President, Maurie Fleming, has again ensured a progressive year for the Tigers. One must admire his tireless application to the task of constantly improving the prestige and goodwill of our Club in all spheres covered by its activities.

In ordinary circumstances the President of a League club spends a limited amount of time at his particular Club, but it is safe to say that Maurie spends most of his waking hours furthering the interests of Richmond. In this regard we must all pay tribute to his wife, Ivy, who has graciously accepted the sacrifices that Maurie has made for the Club.

Without intruding on the work of the various sub-committees, he has kept his finger on the pulse of all activities concerning the Club and has guided our policy through another strenuous year. When clubs are successful in the field these efforts are rewarded by general acclaim. The hall mark of a good President is indicated when harmony prevails in its ranks even though players have not been successful. Under his administration the finances have improved considerably, while the progressive outlook in other activities augurs well for the coming season.

To our President a hearty vote of thanks for his untiring efforts on our behalf.

CHAIRMAN OF COMMITTEES

The Chairman of Committees is virtually the President's right hand man and, of necessity, must be a capable administrator. In the person of Ray Dunn your Committee of Management made the most logical selection for this position. Without doubt his business and legal training are assets of inestimable value in helping to formulate the policy of our Club concurrent with a sound financial basis.

Inevitably his careful reasoning produces the most progressive decision in all matters referred to the Finance and Executive Committees. Members can be certain that when decisions are reached it is only after an exhaustive and thorough examination in all aspects.

We extend our grateful thanks to Ray for meritorious service throughout the year.

DELEGATES TO V.F.L.

The Committee emphasised its confidence in our delegates by re-appointing Jack Titus and Bill Tymms as our representatives on the V.F.L.

The services of Jack Titus were retained on the Finance Committee while Bill Tymms again served on the Permit and Umpire Committee. Both our delegates are held in high esteem at the

League table and are respected for their sound presentation of any decisions by your Committee for the consideration of the League. As a result of their combined efforts, Richmond have received a further allocation of territory under the district scheme. Further details of this allocation are given later in this report.

Many thanks Jack and Bill for your very sound work at the League on our behalf.

CLUB EXECUTIVE AND FINANCE COMMITTEES

No alterations were made on the Finance and Executive Committees. In consequence Ray Dunn, Al Boord, Maurie Fleming, Ron Garraway and Bill Tymms comprised the Finance Committee, while Charlie Priestley as Social Secretary and Chairman of Selectors, together with the members of the Finance Committee, completed the Executive Committee.

Naturally it would be impossible for the General Committee to consider in detail all the problems confronting the administrators of a League Club. In consequence many matters are referred to the Finance and Executive Committees for their consideration, investigation and report. Members can be certain that all phases of the reference are thoroughly examined in every way. When matters have been discussed a decision is recommended for the approval of the General Committee.

In view of the credit balance shown in this year's statement of receipts and expenditure, it is evident that these committees have worked conscientiously and efficiently in the administration of your Club.

To all members of these committees we extend our grateful thanks.

SELECTION COMMITTEE

Charlie Priestley, Jack Titus and Bill Tymms were elected by the General Committee and with Des Rowe (Coach) and Ron Branton (Captain) comprised your Selection Committee for the season.

Early in the year the Selection Committee was faced with the problem of continuing the work of team building by concentrating on young recruits or making a momentary improvement by seeking the services of mature players with possibly only two or three years in League company. Rightly or wrongly the selectors decided to rely upon youth and will continue this policy in the coming year. In general the selectors feel that this method of team building is slowly but surely providing results and they look forward with confidence to a further improvement in the coming season. Many of our promising youngsters have now gained League experience and next year we anticipate fielding a young but experienced team.

Our sincere appreciation is offered to the Selection Committee for their efforts throughout the season.

VICE-PRESIDENTS AND COMMITTEEMEN

Owing to an alteration in the Constitution of the Club, the number of Vice-Presidents was reduced to three, while the personnel of the Committee was extended to twelve. The Vice-Presidents are Ray Dunn, Jack Dyer and Ron Garraway, while the Committeemen are Alf Barnett, Martin Bolger, Al Boord, Charlie Callander, Peter Cameron, Bob Dickinson, Basil McCormack, Bill Pitt, Charlie Priestley, Des Rowe, F. Hunter Smith and Jack Titus.

In addition to the important position of Chairman of Committees, Ray Dunn acts as Deputy President and is the Tigers' Honorary Solicitor. It would be totally inadequate in this report to attempt a description of the many legal problems that Ray has solved for the Club, players, staff and officials. Perhaps T.V. viewers would

get a better comprehension of his personality and logical reasoning by watching the series "Consider Your Verdict," where Ray appears as the Judge. It would be futile to assess the relative value of Ray Dunn to the Richmond Football Club. Jack Dyer, the popular sporting editor of 3XY and still number one football personality in Australia, has endeavoured to instil his own colourful approach to the game into the old and new players in the team. In his capacity as Room Manager, Jack pays as much attention to the latest recruit as the mature player and makes the newcomer feel an integral part in the set up at Tigerland. Our remaining Vice-President, Ron Garraway has been ever ready to help in his special sphere of recruiting and in all social activities. Invariably Ron contributes sound advice in all discussions on the Finance and Executive Committees. He has the background of a successful business man and, in consequence, can support his arguments by practical experience.

Alf Barnett, who joined the Committee this year, has been particularly helpful in all social activities during the season and we look forward to his continued support throughout the coming season. Martin Bolger, Basil McCormack, Charlie Priestley, Des Rowe and Jack Titus as former Tiger players provide that happy blend of experience from the playing field which is greatly appreciated in matters concerning the team. Martin as Minute Secretary, Basil with special efforts, Charlie in his tireless application as Social Secretary, Des as Coach and Jack as V.F.L. delegate make a considerable contribution towards the efficient administration of our Club. New Committeemen in Bob Dickinson, Hunter Smith and Peter Cameron are all keen and enthusiastic. Under their supervision and direction many alterations have been effected in the training, social and committee rooms. As a result of their efforts in various directions these rooms are now resplendent with fresh paint and numerous Tiger signs and slogans. The rooms have received a new face-lift which is reflected in the eagerness and keenness of the players at training. Charlie Callander is the busy bee of the Committee and is always helping in many different ways. Wherever work is at a premium, Charlie makes his presence felt. Bill Pitt as Manager of the Reserve Eighteen and delegate to that League, has competently carried out his duties and under his supervision all organisation of this team has proceeded smoothly. Al Boord, as one of the top executive officers of A.W.A., has been instrumental in equipping the rooms with rotor fans, infra red heating units, etc. He has been of great assistance in obtaining employment for players, while his business experience has been utilised as a major contribution to the efficient administration at Tigerland.

On behalf of the members we extend our thanks to the personnel of the Committee of Management for their personal time and efforts expended in furthering the progress of the Tigers.

PUBLIC RELATIONS OFFICER

Undoubtedly the Richmond Football Club is held in high esteem in all sporting spheres and this is due in no small measure to the unceasing activity of our Public Relations Officer, Maurie Fleming. His remarkable aptitude for doing the right thing at the right time has created a current of goodwill towards Richmond. It must be evident that, in consequence, the tradition and prestige of the Tigers is maintained on all occasions. His attention to detail coupled with his methodical approach ensures that many special activities organised by the Committee must, of necessity, reach a successful conclusion. Through his personal contacts established by his public relation work Maurie has built the donors list to a record total of £1,469.

Many thanks from the Committee, Maurie, for another successful year in the public relation sphere.

COACH FOR 1961

When Alan McDonald decided to return to Bendigo it was necessary to invite applications for the position of Coach. Des Rowe was the unanimous choice of the Committee and has certainly justified that confidence as he has been most conscientious in all activities connected with his coaching of the team. The players responded readily to every demand made by Des on the training track and the Committee are positive that his methods were productive of improved results. Unfortunately severe injuries at a critical stage of the season prevented Des from carrying his coaching to the success that it deserved.

Players and officials are appreciative of your efforts, Des, and wish you better fortune in 1962.

CAPTAIN AND VICE-CAPTAIN

Our popular skipper for the previous season was again elected Captain for 1961. Without doubt Ron Branton has firmly entrenched himself in the hearts of supporters as the inspiration of the side. For them he typifies the spirit of Tigerland and under his leadership the Tigers must progress.

He was ably supported by either Dave Cuzens or John Thompson who shared the responsibilities of Vice-Captain throughout the season.

PLAYERS

During 1961 thirty-eight players took part in premiership matches with sixteen players making their debut with the Tigers. Ron Branton, Col Saddington and Dick Grimmond shared the distinction of playing in each of the eighteen matches.

Congratulations to Fred Swift who was selected in the Carnival team and sympathy as well as congratulations to Neville Crowe who had to forego his selection because of injury.

Our appreciation is extended to the players' representatives on the Committee, Ron Branton, Col Saddington and Pat Guinane. On all occasions they provided sound and constructive advice in all problems concerning the players.

In general our thanks are tendered to the players for an improved showing during 1961. We feel sure that supporters can look forward to a continuance of that improvement in 1962.

TRAINING ROOM STAFF

Under the efficient guidance of Irvine Booth as head trainer and Alby Keyhoe as his able lieutenant, the trainers in Jim Evans, Frank Hegarty, Ray Julier, Stan Edward, Bert Matthews, Keith Cleaver, Syd McRae, Daryl Cranch, and Max Watson rendered excellent service during the season. Besides their ordinary training duties they operated successfully in the social sphere and formed a very strong bond in carrying out the many duties involved in conducting Pleasant Sunday Mornings at the Football Pavilion.

Under the competent supervision of Jack Dyer as Room Manager, other duties in the training room were performed by Alyn Moore (boot studder), Kevin McEvey (asst. boot studder), Bill Stanbrough (timekeeper), Roy Watkins (asst. timekeeper), Ken Pritchard, Ron Cleaver and Roy Webb (social stewards), Jack Chandler and Bill Palmer (door stewards), Charlie Callander (property steward), Gary Hender (asst. property steward), Bernie Gooley (players' property steward), George den Besten (transport officer), and Les Anders (training room steward).

The smooth running of a League team, particularly on a Saturday, owes a great deal to these valued band of helpers.

HONORARY DOCTOR AND PHYSIOTHERAPIST

Our popular and genial medico, Dr. Leo Grogan, again provided the necessary medical attention for our players. With the abnormal number of injuries he had a particularly busy year and we thank him sincerely for his service during the season.

John Stanley, our physiotherapist, also rendered valuable assistance with his constant attention to injured players. Despite the many injuries John was always available, even at most inconvenient times, in providing treatment. Many thanks, John, for your co-operation during 1961.

BEST AND FAIREST

No supporter will begrudge to Ron Branton the honour of again winning the Best and Fairest award. A study of the voting details shows that Neville Crowe finished a close second to Ron.

Congratulations to Ron on his well deserved success and to Neville on his magnificent form prior to his injury.

J. D. LANGDON TROPHY

The Best and Fairest award in the Reserve Eighteen was won by Graeme Wilkinson. Although Graeme did not play many games he showed outstanding form in every appearance. Congratulations, Graeme.

J. J. SMITH MEMORIAL TROPHY

Allowing for natural improvement it would not need an oracle to predict that Bob Brownhill, winner of the Best and Fairest award for the Third Eighteen, should make his way into League company in 1962. Congratulations, Bob.

BILL COSGROVE MEMORIAL TROPHY

This trophy donated by Don Cheeseman to the best first-year player has been won by John Robertson. John transferred from Hawthorn early in the season and quickly established himself as a Tiger regular. Congratulations, John.

LIFE MEMBERS

Frank Hegarty and Ray Julier have been on the training staff for eighteen and sixteen years respectively. During that time they have given excellent service as trainers, but, in addition, have always been willing to help in any other activity of the Club.

Your Committee unanimously recommends their appointment as Life Members.

FIVE-YEAR PLAYERS

Neville Crowe, Dave Cuzens and Roger Dean qualify for five-year certificates and we thank them for their service over the past five years and express our appreciation of the many sterling games they have played during that time.

RICHMOND CRICKET CLUB

At the time of writing our cricketing Tigers have been afflicted with an epidemic of injuries. Ron Milne (broken forearm) and John Mills (broken hand) will be out of action for some time. Our cricketers were second on the premiership list at the time of these injuries. We trust that this set back will not unduly effect their premiership chances. Per medium of this report we take this opportunity of recording our appreciation of the help and co-operation of the Cricket Club in our mutual problems and, in particular, thank Jim Cook (President), Syd Dockendorff (Secretary) and Noel Baragwanath (Treasurer) for their assistance. To Dave Goodson, the Cricket Club representative on our Committee, we tender our thanks for his helpful suggestions at our meetings.

RICHMOND RESERVE EIGHTEEN

Reserve Eighteen matches are now an established fact as curtain raisers. Supporters are thus able to observe the calibre of recruits striving for a place in the Senior Eighteen. Under the efficient managership of Bill Pitt and coaching of Dick Harris, the Reserve Eighteen progressed well during the season despite the heavy demands of the Seniors for replacements on account of injury. Our appreciation to Bill and Dick for a job well done.

RICHMOND UNDER 19 EIGHTEEN

Our apologies are offered to Graeme Richmond (Coach) and Bert Haswell (Manager) for the loss of a certain premiership. At one time this team headed the premiership ladder but injuries to seventeen players on the Senior list necessitated a heavy draw on their best players. In consequence they missed the final four on percentages. At least five of the players from this team will make League company. Many thanks Graeme and Bert for your efforts.

RICHMOND FOURTH EIGHTEEN

Under the capable supervision of Dave Beaven (Manager) and Bill Boromeo (Coach), the Fourth Eighteen finished in fifth place for season 1961. Several promising juniors in this team appear likely recruits for the Tigers in subsequent years. All credit to Dave and Bill for their efficient handling of the side.

PLAYERS' PROVIDENT FUND

Despite lack of success your Committee maintained the rate of payment at £4 per match. Provided the team continues its progress the Committee will take the first opportunity to increase these payments. It is their considered opinion that the players should be adequately paid for the entertainment they provide for thousands of football fans.

DONORS TO CLUB FUNDS

We gratefully acknowledge the generosity of our donors and appreciate sincerely their continued support during our lean years. The record of last year was easily surpassed and we trust that the loyalty of our donors will be repaid by many victories in 1962.

DONORS OF TROPHIES TO PLAYERS

During the year many persons provided trophies and donations to the players who desire to thank them sincerely for their generosity. The following donors contributed during the season:—

Messrs. Maurie Fleming, Ray Dunn, Jack Titus, Al Boord, Ron Garraway, Bill Tymms, Bob Dickinson, Martin Bolger, Hunter Smith, Bill Pitt, Bill Stretton, Bob Barry, Dr. Grogan, John Stanley, Bill Richards, Theo Lewis, Hoot Gibson, Alf Wiltshire, Bill O'Brien, Don Cheeseman, Mark and Bob Henry, Alan Thompson, John Bender, Rupe Roddy, John Ryan, Murray Walsh, Bill Francis, Arthur Dummett, Bill Hopkins, Des Millman, Alan Cations, Jack Wilkinson, Brian Hendrick, Roger David, Bond Tailoring, Reg and Bill Varley, Don Butterworth, and Kevin Blake.

SOCIAL COMMITTEE REPORT

In the first place we would be remiss if we did not offer our thanks and grateful appreciation for the wonderful work of the Social Committee during the past season. The Club certainly owes a big debt of gratitude to those tireless workers in Charlie Priestley (Social Secretary), assisted by Bill Pitt, Charlie Callander, Ray Julier, Frank Hegarty, Peter Cameron, Alf Barnett, Don Butterworth, Roy Webb, Ron Cadman, Dick Harris, Bob Dickinson, Syd McRae, Alby Keogh and Irvine Booth.

As usual the social season was started with the annual get-together with the boys of the R.A.A.F. at Laverton. Our lads were

successful in the cricket match and were later entertained in the Sergeants' Mess. The lavish hospitality of the R.A.A.F. was amazing and a most enjoyable evening of entertainment concluded a very happy day. Our sincere thanks once again to the boys of the R.A.A.F.

Later in the year in July we had the opportunity of repaying their hospitality when they were our guests at our dance in the Club rooms.

Seaford was again the venue for the challenge cricket match between the players and officials. On this occasion with stricter supervision of the scoring sheet the officials could only force a draw. During the afternoon races for the children provided some keenly contested events.

Our Pleasant Sunday Mornings are growing in popularity and were all well attended. Popular radio personality, Arthur Lyster, performed a herculean task in compering these shows and was ably assisted by the following artists: Peter Langdon, Roger and Bill Harkin, Alan Paull, Tom Campbell, Tex Donohue, Fred Russell, Alan Winch and the boys from Tom Campbell's Melody Centre.

Our monthly dances were a feature during the season and players, staff and officials, together with their wives and girl friends, spent many enjoyable hours.

Towards the end of May we visited Tocumwal where we played a match against the Murray League. The Tigers were warmly welcomed and greatly appreciated the hospitality of the League at a dinner after the match and later at a barbecue at Leeton.

The Annual Ball was held at the end of the season and attracted a large crowd of supporters. Our thanks are tendered to Charlie Priestley who again organised this function in his usually capable manner.

The Annual Golf Day has been postponed until March of next year when it is hoped that the weather might be more settled. It is anticipated that a record crowd will attend this event.

APPRECIATION

The activities of a League Football Club are many and varied and so we are dependent upon the help of many people throughout the year. We have endeavoured to include every person who assisted our Club in any way, but if we have inadvertently omitted acknowledgment of such indebtedness we humbly offer our apologies.

On behalf of the Committee, players, staff and members of our Club we record our appreciation and thanks to the following:—

END-OF-SEASON TRIP

The managership of the trip to Surfers Paradise was entrusted to the expert hands of Charlie Callander who excelled himself in his complete attention to all requirements of a party of forty-three players, staff and officials.

Very few people welcomed the Richmond party when they arrived at "The Beachcomber," but the fact that two hundred people gathered to wish them bon voyage eight days later was sufficient evidence of the popularity of the Tigers at Surfers Paradise.

With a magnificent swimming pool on the premises the players utilised the holiday as a summer training medium. Under the able tuition of Bob Dickinson, players, who could not swim, quickly learnt the natorial art and competed in a novices' race on the day prior to departure. Edo Benetti, the stylist of the novices, beat Tom Simpson in a photo finish. The players' championship was keenly contested and resulted in a narrow victory for Larry Rowe, who just held off a strong finish by Col Saddington. Peter Cameron beat Jack Titus and Jack Dyer in the officials' championship, while Ron Cadman won the championship for the staff. In the handicap section, the judges could not separate Alan Hayes and John Robertson in a thrilling finish.

Swimming, ski-ing and trips during the day with dances and floor shows during the night provided an endless variety of entertainment for every member of the party.

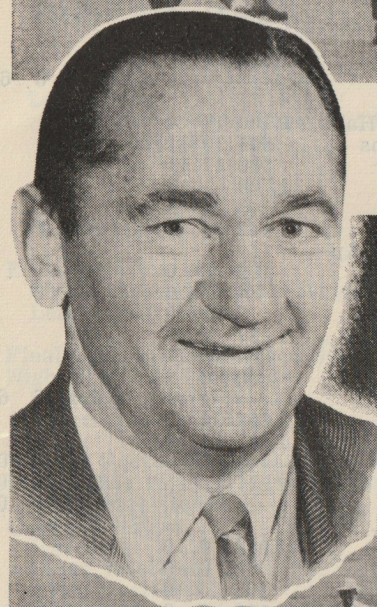

Regretfully the home journey started but one official was so taken with the attractions of Surfers Paradise and "The Beachcomber" in particular, that he inadvertently missed the transport provided and only a frantic last-minute dash enabled him to regain the party at Brisbane.

SECRETARY'S APPRECIATION

With the revision of the district scheme and the allocation of the City of Waverley with a population of 40,000, I feel that the question of recruiting local talent has been solved. Our delegates to the V.F.L. have striven hard to bring about this revision and I am sure that this allocation will certainly bear fruit in the next few years. By gifts of footballs and junior membership tickets we hope to encourage the school children in this area.

Last season until injuries took their toll, the Tigers were a good side and a decided possibility for the final four. I am confident that next year we will move a step nearer our objective. In many ways last season has been quite successful for the Tigers.

I must pay tribute to our President, Maurie Fleming, who has been ever ready to help in the executive work of the Club. I have found him always willing to co-operate and I thank him for his support. Your Committee has done a tremendous job in administering your Club and through their efforts Richmond remains a very sound and financial unit in the V.F.L. The ramifications of a League Club requires a variety of voluntary and willing workers. Richmond is fortunate that its Committee is largely composed of that type of worker.

I express my appreciation to the players and staff for their whole-hearted co-operation throughout the season and with them I look forward to many victories in 1962.

To those supporters who have remained loyal during the past ten years, I say that the rise of the Tiger is not far distant. Through your support we rose last year. Continue that support by the early purchase of 1962 membership tickets and I venture the prediction that your trust will not be betrayed. Our aim: 1962—the final four; 1963—premiers.

Bill Tymms, Secretary.

PRESIDENT'S ADDENDUM

It is a pleasure to me to be able to add my thanks to the many good supporters who have remained loyal to the Tigers during our fight back to the position we held during the 1930 and 1940 periods. To our donors in particular, who since 1958 have contributed almost £500 more to the total of that year, and thus enabled us to show a record once more, we pay tribute. Their practical help and the continued assistance of many other Tiger fans has enabled our Secretary-Treasurer, Mr. Bill Tymms, to present an excellent balance sheet to our members this year.

The list of young players under our new Coach, Des Rowe, and ably led by popular Ron Branton, performed admirably right until the 11th round of games, when we met a most unfortunate series of injuries to prominent players, causing us to lose their services for the rest of the year. We are happy to report all have completely recovered. We thank Des for his application to the duties of Coach. We are certain members will approve of the action of the Committee in appointing Des for a further three-year term. Des has the confidence of all players and we thank him for the time and attention he has given to the new lads at the Club, and also for time he has given to recruiting for new players.

Under the direction of Des and selectors Charlie Priestley, Jack Titus and Bill Tymms, players are already running, playing squash and preparing for a better season in 1962 through gymnasium work and P.T. Our other Coaches in Dick Harris, Graeme Richmond and Bill Boromeo, all former Tiger players, have co-operated well with Des and the selectors right throughout the year.

As usual the Committee and the staff of Richmond have done well and carried out their tasks in a most conscientious manner. Our new Committeemen in Messrs. Alf Barnett, Frank Hunter Smith, and Peter Cameron have proved decided assets. Alf and Peter greatly assisted in social work under Charlie Priestley and the Social Committee of the Club. Both are locals and have graduated to the Tigers through the Richmond Districts. Peter has also co-operated with Hunter Smith, Al Boord and Bob Dickinson in effecting many improvements in the Clubrooms without cost to the Club. Our rooms are second to none in the League, thanks to these gentlemen and our other officials.

We must pay full credit to our Secretary, Bill Tymms, for his able and efficient management of the affairs of the Club, and for his interest in the recruiting of new players to re-build the team. Bill is as well known in country areas as he is in the City, for his courteous approach to officials and the players, whilst his work on the Victorian Football League, with his co-delegate Jack Titus, has won him acclaim from Messrs. K. G. Luke and Eric McCutchan. Bill is a valued member of several sub-committees on our governing body. Congratulations to Bill for his excellent work in having our Club districts extended to the new areas of the City of Waverley. This has come about after years of hard and painstaking effort in convincing the Independent Commissioners of the need to give the Tigers additional territory to recruit young players.

In addition to his secretarial duties, Bill is also Treasurer and a perusal of the balance sheet will show how well he has performed his duties in connection with this important position. To be able to show a credit balance of over £560 in a difficult year is a great feat, especially in a time of rising costs, and we congratulate him for his co-operation with the Finance-Executive Committee in so capably handling the finances of the Club.

To our Deputy President, Mr. Ray Dunn, for a wonderful year of work for the Tigers, we pay a big tribute. The co-ordination of the Club Rules and Regulations was but one honorary task undertaken by Ray this year, but in addition his generosity and presents to the players and staff during his long association with the Tigers has won him the esteem of all. Ray is also Honorary Solicitor for the Club and this entails giving legal advice and assistance to his mates at the rooms at any time. As my Deputy President, he has proved a great friend and I do value his advice on the many complex matters which confront League officials. In addition, Ray is a Trustee for the Richmond Ground and a most valued member of that Committee, whilst he acts as Chairman of our Executive and Finance Committee as well.

The work of the Social Committee under Mr. Charlie Priestley is mentioned elsewhere in the report, but we do thank him and his fine co-workers in Bill Pitt, Charlie Callander and Ray Julier, and the honorary workers associated with the Club, especially our trainers. Mr. Arthur Lyster, Sporting Editor of 3AW, receives our gratitude for compering our social activities in an honorary capacity. The very special thanks of all the Committee to Jack Titus for an outstanding effort for the Club in 1961.

Our appreciation to Charlie Callander for another great year. Charlie has been at Richmond for 42 years now and each year seems to be able to find just that little extra to help the Tigers along. With the other members of the staff, and our trainers under Irvine Booth and Alby Keyhoe, he completes a fine body of honorary workers. Mr. Jack Dyer as training room manager does everything possible to watch the welfare of the players, particularly new lads coming to the Club.

To the gentlemen of the Press, Radio and Television we convey our appreciation for their publicity, with a tribute to our good friend Mr. M. Lucy of the "Richmond News," our local paper.

Thanks to our new Cricket Club Secretary, Mr. Syd Dockendorff, for the help rendered our Club during the past season, and to our other good friends of the Richmond Cricket Club, Mr. Jim Cook (President) and Mr. Noel Baragwanath (Treasurer) for their kindnesses in 1961.

We look forward to a continuance of the loyalty of our members in 1962. We trust the improvement shown by the players under Des Rowe will be maintained and that we will have a successful year on and off the field next season.

Maurie Fleming, President.
